Address*: _____
Tel. *: _____ Desired date*: _____

* required information

Only customers registered with MIPA with a customer number can register.
Please contact your commercial partner.
Since MIPA wants to offer all customers the best possible training, this is not a binding registration but an enquiry. Depending on your interest, MIPA will then contact you to discuss a suitable training course and try to take all your wishes into account. Once you have received a confirmation by MIPA, your registration will be binding.
